Get to Know Your Counseling Office

The Counseling Office is located in room 102. We are open from 7:45 am to 3:45 pm. Students are welcome to stop in before or after school but should have a pass from their teacher to come in during the day. We are happy to make appointments for our students with their Counselor and will try to schedule those during a student's lunch period. Parents interested in scheduling an appointment should e-mail their Counselor directly. We look forward to working with you this year!
