WHO SHOULD ATTEND?

Students grades 9th-12th who have an interest in learning about possible careers in the STEM field.

ATLANTA AREA COUNCIL
BOY SCOUTS OF AMERICA

Prepared. For Life.®

OUR MISSION

is to have high school students leave our academy with a deeper understanding of what STEM professionals do every day and how they change and build the world we live in. STEM Academy is a welcoming environment whether you are in Scouting or not, we strongly focus on exposing students to Science, Technology, Engineering, and Mechanical careers.

This is an unique way to get your students motivated about their future careers. Scouts will have the opportunity earn certain requirements from various STEM merit badges such as "visit a facility", "meet with a professional", "find out careers".
