STAR Students

Pope High School is proud to honor two STAR Students and two STAR Teachers for the Class of 2026. These students tied with the highest SAT score of the senior class! They also are in the top 10% of the Senior Class academically. Additionally, each student selects a STAR Teacher to represent someone who has had a significant impact on them during their time at Pope. Our first STAR Student is Ishaan Marwaha. Ishaan has chosen Ms. Briana Ransom as his STAR Teacher. Our second STAR Student is Lucy Nichols. Lucy has chosen Ms. Angela Chapin as her STAR Teacher. They will all be honored at a banquet in February hosted by the Marietta Kiwanis Club. Congratulations to all!

Seniors - Request Your Graduation Tickets

Dual Enrollment – Act Now!

If you are interested in Dual Enrollment for the 2026-2027 School Year, please start the process NOW if you have not already done so. Visit our DE website – <http://bit.ly/DEPopePage> to download our checklist and access important information. Students and a family member must view the mandatory DE video presentation (or have attended the live fall meeting) as the first step and then follow the remaining steps on the checklist, which include applying to the desired college and meeting with your counselor to complete paperwork. (Georgia Tech applicants MUST also follow these steps and meet our deadlines, however, they will complete the GT application later when it opens in mid-May). The deadline for students wanting to take summer DE classes is **February 1st** and the deadline for those who wish to take DE classes starting in the Fall is **March 6th**. County and college deadlines may differ from these dates, but Pope sets earlier deadlines for scheduling purposes, in addition to helping ensure students are able to register for their college classes at the earliest possible enrollment opportunity.
