Financial Aid Information

We had an excellent presentation last month from Anna Roberts O'Brien, our GSFC representative, who provided a wealth of information about the financial aid process, including federal aid, FAFSA, HOPE Programs, and so much more. She has graciously shared her presentation with us for those who weren't able to attend, as well as those who want to go back through the information. If you'd like additional assistance, Anna is available for consultations about financial aid, FAFSA, and more. You can reach out to her by email - aroberts@gsfc.org, phone/text 404.706.1550, or schedule a 30-minute appointment directly through her Bookings link, found here https://www.gafutures.org/about-us/outreach/meet-your-gsfc-outreach-representative/anna-obrien/. Anna's consultations are free as a service provided by the Georgia-sponsored higher education finance agency, the Georgia Student Finance Commission (GSFC). **The FAFSA has opened**, and you'll need to complete the **2027-2028 FAFSA** if your students will be starting college next fall!

United States Presidential Scholar Program

Each year, the U.S. Presidential Scholars Program honors some of our nation's most exceptional high school seniors who shine through academic achievement, artistic talent, and career and technical excellence. Established by executive order in 1964, the program has grown to recognize up to 161 students annually, celebrating those whose accomplishments reflect the highest ideals of scholarship, creativity, and leadership.

The 2027 U.S. Presidential Scholars Program application window closes on November 1st at 5 pm. High school seniors may apply, provided they meet all program qualifications.
